## OUR PRESIDENT'S MESSAGE

It gives me great pleasure to welcome each and everyone to this our Annual Dinner, particularly since we are celebrating our TWENTIETH BIRTHDAY. Twenty years seems like a long time when we look ahead but time has a way of passing quickly. When one takes a few minutes to consider the growth of the Ten Year Club over the past twenty years, to think that at its formation it consisted of some twenty-five office employees and now it consists

of a membership of over 1,000 members from every Division of the Department, we have kept in step with present day trends.

It has been our custom at these Annual Dinners to honor those that have completed twenty and twenty-five years of service. This year we are taking a further step by honoring ten employees who have completed over THIRTY-FIVE years of service, by presenting to them life membership certificates in our Club. We sincerely wish them many more years of service with the Department and that they may continue to join us in "the promotion of Loyalty and Good-fellowship."

It has been a pleasure to serve as your President during the past year. I wish to express my sincere thanks for the support and encouragement that each and everyone have given. To my officers and Committeemen, who have given so generously of their time and efforts, to the administrators of the Department for their interest and co-operation, without this support we could not have achieved our goal.

May I sincerely urge your continued co-operation and support to the incoming officers. With your interest and help assured, I know our Club will continue to grow and achieve its goal of promoting LOYALTY and GOOD-FELLOWSHIP.

*Clyde W. Case*

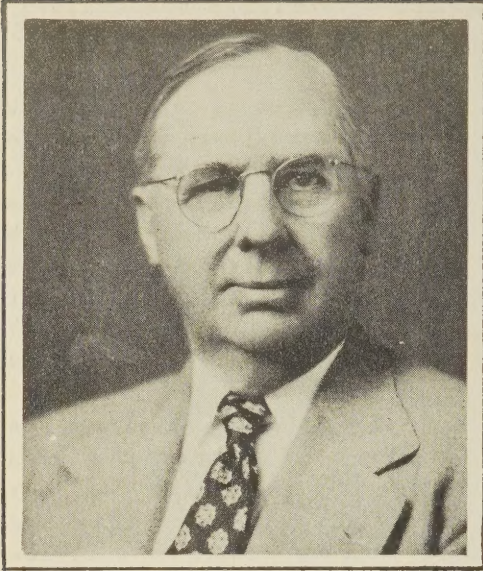

REETINGS TO TEN YEAR  
CLUB MEMBERS

by

Edward W. Kilpatrick  
State Highway Engineer

---

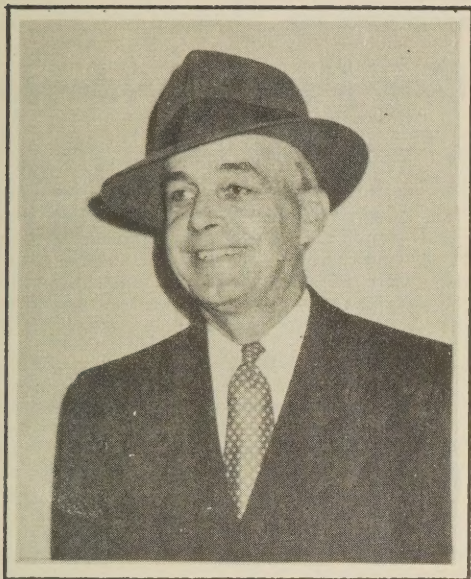

As one who was in contact with the Highway Department for many years before joining its staff, I have had an unusually good opportunity of watching the growth of the Ten Year Club from a mere handful of forward looking men, to the vast organization which tonight is celebrating its 20th anniversary. During these

years it has been evident that here, in your membership, lay the real strength of this Department.

As we look forward tonight to carrying on with increased vigor an expanding Highway program, it is apparent that the great bulk of responsibility for the successful fulfillment of these plans will rest largely upon your shoulders. You will be the ones to whom new employees will look for guidance. You will be the ones whose "knowhow" will permit us to continue to lay plans in keeping with the traffic demands of this great State. And you will be the ones whose loyalty will allow you to assume the added responsibilities which an enlarged program will demand.

And so, as I greet you on the occasion of your 20th Anniversary, and extend my best wishes for the continued success of your fine organization, I am remindful of the great debt of gratitude that is due you for the excellent job you have done in the past; for the performance you will give in the future. But most of all, I am grateful to you for the sincere cooperation you have shown me in my capacity as State Highway Engineer. Without this it would be impossible to carry out my duties.

TWENTIETH ANNIVERSARY  
GREETINGS TO MEMBERS  
OF THE TEN YEAR CLUB

by  
Ransford J. Abbott  
State Highway Commissioner

---

As I greet the officers and members of the Ten Year Club, and salute you on the occasion of your 20th Anniversary, one thought stands uppermost in my mind. That is, the great feeling of pride that each of you must experience when you stop to reflect upon the qualifications which permit you to be a member of this fine organization.

I can think of no other club where a man is required to serve an apprenticeship of ten long years before he is permitted to make an application for membership. Neither can I imagine an organization which affords its members such a bond of common interest.

You must, of course, know that the great cross section of the Ten Year Club, stemming as it does from every division of the Highway Department, represents the very backbone of this important agency of the State's government. It would be very interesting, indeed, to speculate on what might have happened in New Jersey had you not pooled your varied skills and abilities to the common cause of creating one of the foremost highway systems in America.

When Governor Driscoll returned me to this Department as Commissioner after an absence of eight years, I fully realized the great responsibility that was being thrust upon me. But I also realized that I would be surrounded by men, such as you, who could be depended upon to carry on the high traditions of the past.

If I were to leave a single message with you, on the occasion of this anniversary, it would be: Be proud of your organization; be proud of the fine role you have played in making New Jersey one of the truly great States; be proud of the great Department which you have played such an important part in creating.

## 20th Anniversary Greetings from Our Past Presidents

ARTHUR J. LICHTENBERG

1933-1934

It is particularly gratifying to observe that Ten Year Club objectives have been maintained and constructively expanded during the past twenty years. The club continues to fill a very real need in the social and economic life of its members and contributes in a real manner to the maintenance of Departmental morale. Officers and members have done a splendid job throughout the years and deserve every encouragement.

FRED C. CLAUS

1935

Congratulations to the Ten Year Club upon its Twentieth Birthday and to President Clyde Case for his untiring efforts over the many years in behalf of the Club. Best wishes for continued success to the new president and his officers.

CHARLES F. HUNT

1936

As a charter member it does not seem to be twenty years since we were going down to the old "Windsor Hotel", setting up rules, regulations and by-laws for a "Ten Year Club." I wish to congratulate all officers, committeemen and members for promoting and continuing this work of good will and progress over this period of time. It is indeed a source of inspiration and pride to all of us and to the "State Highway Department" as a whole and I wish to extend my sincerest wishes for a successful future.

CARMAN DAVIS

1938

It is a pleasure to greet the officers and members of the Ten Year Club on the occasion of their 20th Anniversary. With the passing of the years the significance of membership in this fine organization becomes clearer. It is truly one of the cherished honors that can befall a member of the State Highway Department.

WILLIAM DIX

1939

On reaching this our twentieth annual dinner the Ten Year Club has attained a fine membership and a Club in which all may take pride. Endeavoring to serve and cooperate for good fellowship has accomplished something each year to make this such a fine outstanding organization. I am happy to have served as your president in 1939 and extend best wishes for ever greater attainments in the future.

CYRUS CARD

1940

The Ten Year Club has once more met, despite the woes which each beset, to all the brothers here tonight, my heartfelt greetings on this our 20th Anniversary. Friendships formed years ago are to be renewed and strengthened with each passing year.

H. N. KRAMER

1941

The unity of purpose of the organizers of the Ten Year Club is reflected by the efforts of our good President Clyde Case, one of our charter members, serving as President in this the Twentieth year of our existence. I extend my congratulations to Clyde for the successful administration and growth under his guidance.

CHRIS KUCKER

1942

Greetings to all on our "Twentieth Anniversary". Congratulations to Clyde Case for the fine events of the past year. It is very fitting, that you, Clyde, a charter member, and tireless worker for the club for the past 20 years should preside at another milestone in the progress of the Ten Year Club.

EUGENE J. PALMER

1943

The first twenty years of the Ten Year Club has seen its membership exceed the 1000 mark. Let each and every member set an example by giving the officers of the Club, support and fullest cooperation in their efforts to make this a real live organization. Congratulations and best wishes for continued growth as the Club starts its twenty-first year.

WILBUR H. SPENCER

1944

Looking back over the past twenty years many of the Club activities are brought to mind especially the "Amateur Nite" when Fred Claus emulating the late Major Bowes acted as M.C. and a major part of the membership participated. I suggest we have more functions wherein we could have greater participation. Congratulations and best wishes for the years to come.

ROBERT G. MARTIN

1945

We have completed 20 wonderful years since 1930 when 25 of us met in the old Hotel Windsor and started the Ten Year Club. I wish all of you happiness and continued success for many years.

W. EUGENE BECKNER

1946

Once again it is my pleasure to greet each one of the Ten Year Club members through the medium of this program, and to urge your continued interest and support. Congratulations to Clyde and all of the officers who have helped to make 1950 a banner year, and best wishes to the incoming officers for a successful year in 1951.

HAROLD P. JEMISON

1947

Look twenty years ahead, it seems a very long time but look twenty years back and it seems a very short time since twenty-five of us sat down to a full course dinner at the Windsor Hotel for \$1.50 which included everything, to organize the Ten Year Club. The success has been due to the hard work of the officers and committees and the loyal support of the members. May this fine cooperation continue.

FLAVIN IRETON

1948

This year marks another first. The first time that we honor those members who have been with the Department 35 years. It is fitting that this custom be inaugurated on our 20th Anniversary.

KENNETH B. CRAFT

1949

As we pass our 20th Anniversary here tonight, let's all resolve to make our interest in the Ten Year Club more evident by attending and supporting all of its functions. Congratulations to the present administration and best wishes to those who will guide the Club during 1951.
